J.R. PALACIOS
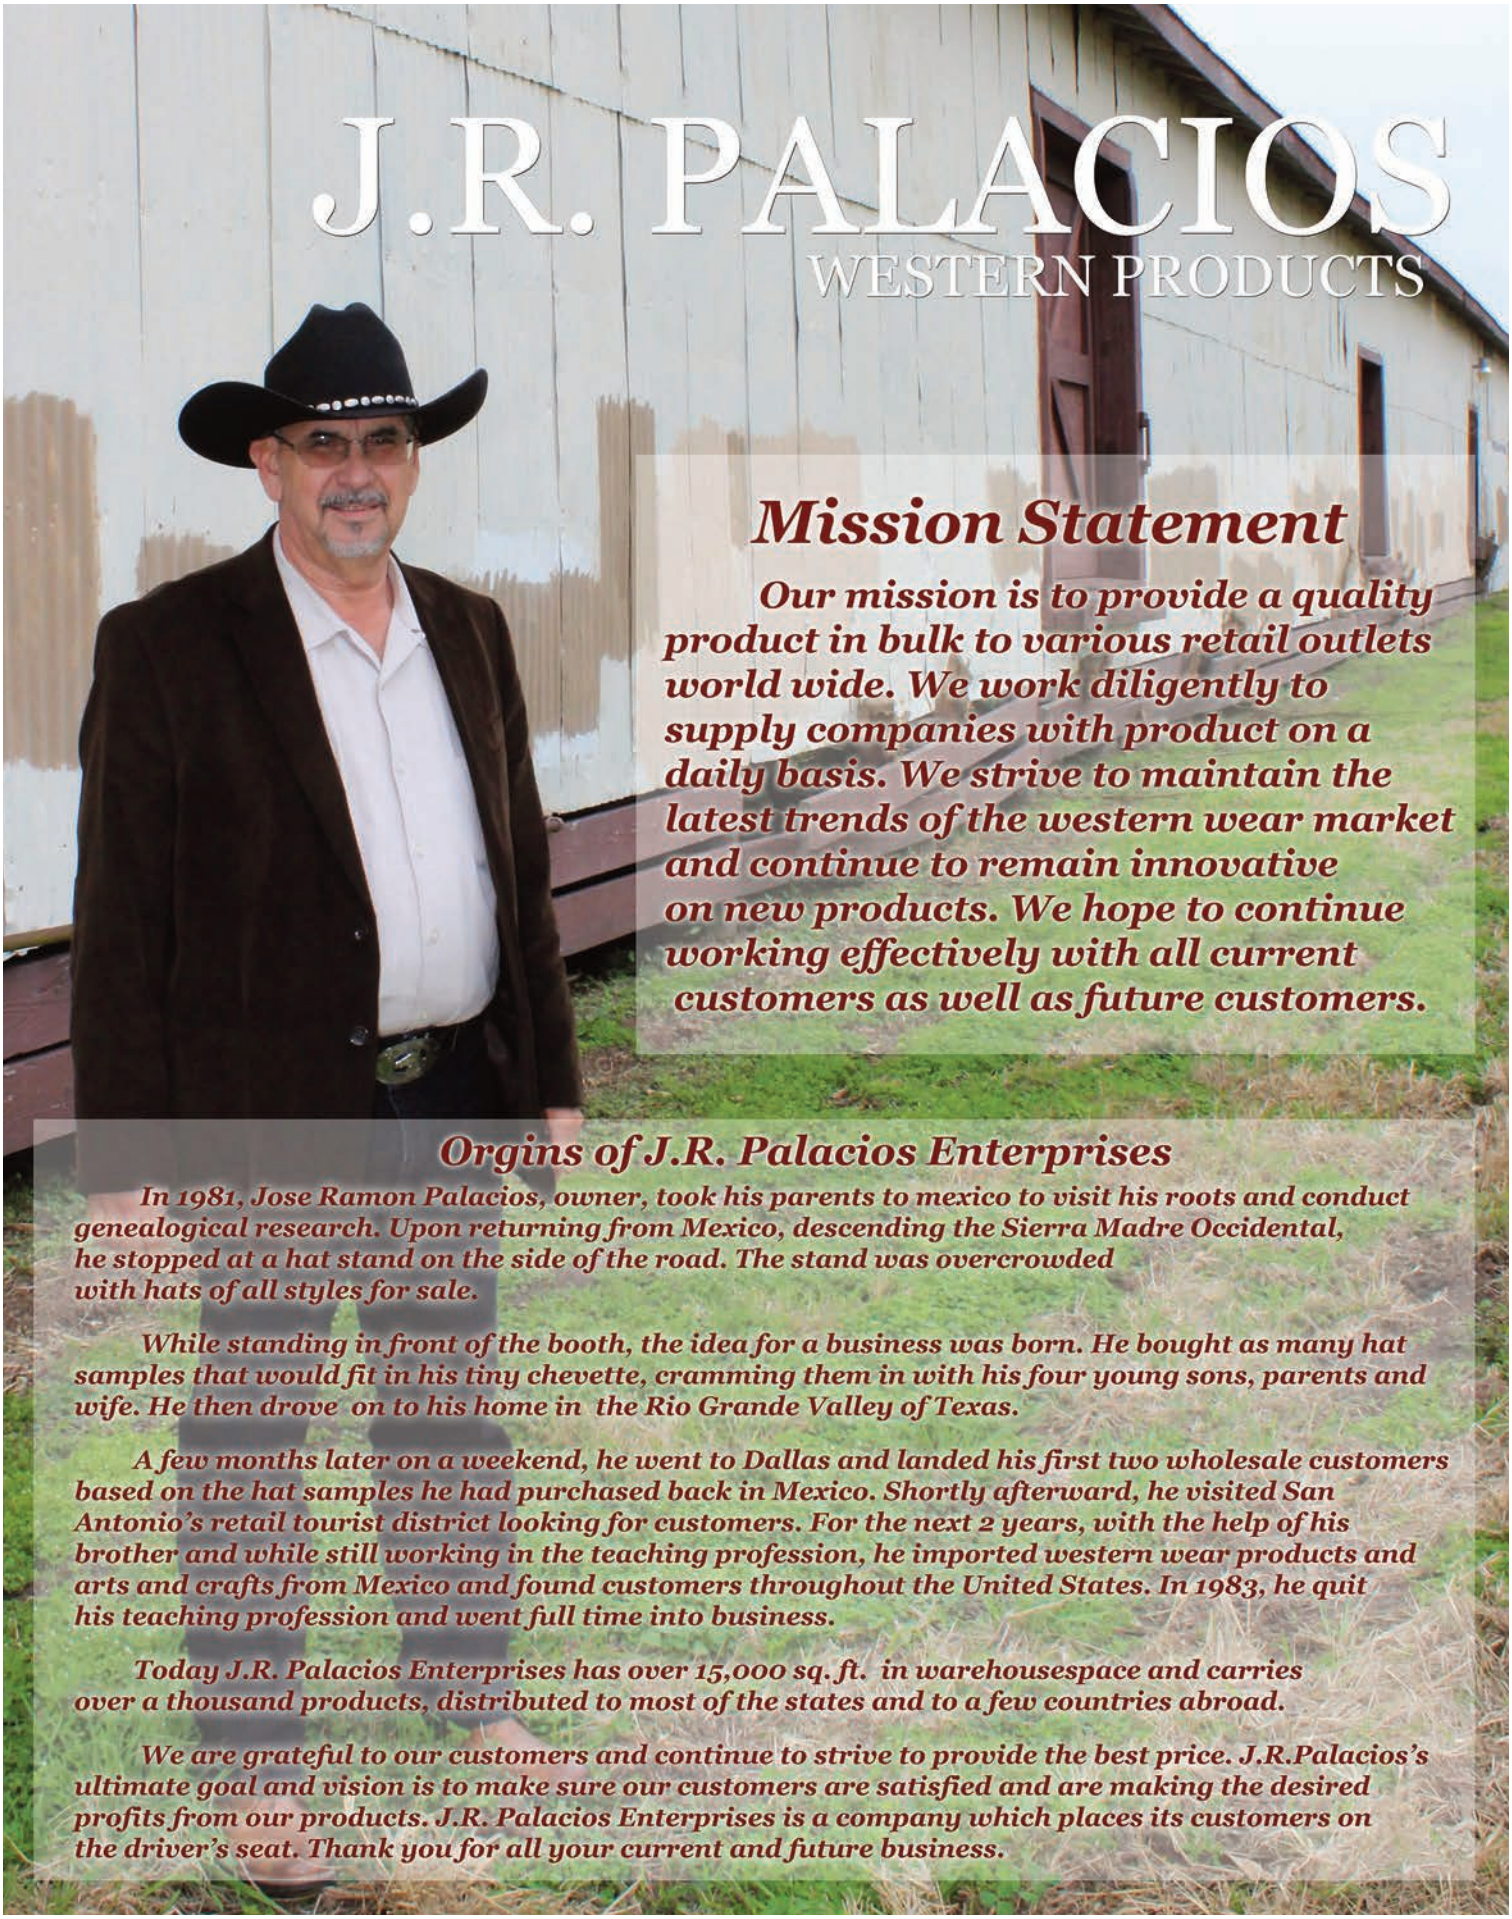
WESTERN PRODUCTS



Mission Statement

Our mission is to provide a quality product in bulk to various retail outlets world wide. We work diligently to supply companies with product on a daily basis. We strive to maintain the latest trends of the western wear market and continue to remain innovative on new products. We hope to continue working effectively with all current customers as well as future customers.

Orgins of J.R. Palacios Enterprises

In 1981, Jose Ramon Palacios, owner, took his parents to mexico to visit his roots and conduct genealogical research. Upon returning from Mexico, descending the Sierra Madre Occidental, he stopped at a hat stand on the side of the road. The stand was overcrowded with hats of all styles for sale.

While standing in front of the booth, the idea for a business was born. He bought as many hat samples that would fit in his tiny chevette, cramming them in with his four young sons, parents and wife. He then drove on to his home in the Rio Grande Valley of Texas.

A few months later on a weekend, he went to Dallas and landed his first two wholesale customers based on the hat samples he had purchased back in Mexico. Shortly afterward, he visited San Antonio's retail tourist district looking for customers. For the next 2 years, with the help of his brother and while still working in the teaching profession, he imported western wear products and arts and crafts from Mexico and found customers throughout the United States. In 1983, he quit his teaching profession and went full time into business.

Today J.R. Palacios Enterprises has over 15,000 sq. ft. in warehousespace and carries over a thousand products, distributed to most of the states and to a few countries abroad.

We are grateful to our customers and continue to strive to provide the best price. J.R.Palacios's ultimate goal and vision is to make sure our customers are satisfied and are making the desired profits from our products. J.R. Palacios Enterprises is a company which places its customers on the driver's seat. Thank you for all your current and future business.
